## Coshocton Rotary: Meeting The World Weekly at Three Rivers

## Service Above Self

January 22nd - Chris Sycks and Wes Tubbs from the County Auditor's Office gave Coshocton Rotarians an overview of the county's revaluation. The mass appraisal of all land parcels began in the summer of 2007 and will take nearly two years to complete. For more information, call 622-1243 or visit [www.coshoctoncounty.net](http://www.coshoctoncounty.net).

January 15th - Fellow Rotarian, Dr. David Erwin spoke to the club about the improvements in technology for retinal eye exams. More than 1 in 4 people will contract an eye disease that could cause blindness. Dave's program also featured a video describing diseases and treatments of the eye.

New retinal scans allow diagnoses of diseases in the back of the eyes. Thank you Dr. Dave for a very informative program.
