

## Coshocton Rotary Club

June 3, 2008

### Meeting the World Weekly at Three Rivers

Exchange Student, Christina Pederson from Norway spoke to Coshocton Rotarians about her experiences while living in Coshocton over the past school year.

**Christina and her host father, Tim France**

Christina presented a slideshow of pictures from her stay in the states, which included her journeys on the Eastern trip, her friends she has made in Coshocton along with the other exchange students.

She also told the club about her home country.

Norway's seasons are similar to ours, however they have 6 weeks in the winter where it is always dark and 6 weeks in the summer when it never gets dark. The Northern lights are a beautiful sight to be seen. Their culture loves to hike and enjoy the very scenic views. They experience lots of snow in the winter - snow days in Coshocton were laughable to Christina.

After one more year of high school in Norway, she hopes to travel more and learn more languages.

#### Mystery Rotarian

Wanted to be a fashion designer when they grew up; enjoys gardening; OSU Football fan; self described perfectionist; nickname was DORT; biggest achievement was the Coshocton Campus.

This seems to be a mystery, but, everyone thought it was Dorothy Skowrunski, however the Mystery Rotarian sheet said it was Mike McCullough, aka - "Dort."
